BEAVER BROOK ASSOCIATION

Since 1964, Beaver Brook Association has grown from a small private, nonprofit to a 2,000 acre environmental education and land stewardship organization enjoyed by thousands of people each year. Our education programs, ranging from pre-school to adult, are well known throughout the southern New Hampshire region and our more than 30 miles of hiking trails are recognized as the region's most beautiful and well-maintained.

Beaver Brook Association can attribute a large part of its success to the generosity and commitment of its many Friends of Beaver Brook. As a private, nonprofit organization we rely on contributions from our visitors and community members to maintain our lands and the many historic buildings we use for environmental education programs. Your gift allows us to:

- offer year-round environmental education programs for all ages,
- actively manage our property through sound conservation practices,
- continue our efforts to further protect our land through easements, and
- act quickly to acquire new parcels of land when appropriate.

Make your gift today knowing that you will have made a tremendous difference in preserving the natural world around you and educating thousands of people about its importance.

Our supporters enjoy these great benefits:

INDIVIDUAL & COMMUNITY LEVELS

Enjoy these benefits:

- Beaver Brook's Quarterly newsletter
- Our introductory information packet, including color-coded maps, wildflower blooming guide, window sticker, and supporter card
- Access to our Children's Library and Wildlife Library
- Free admission to more than 150 cooperating nature centers nationwide
- 10% discounts on seasonal programs (discounts are not transferable to other household members at Individual Level)
- Access to early spring registration for our popular Summer Youth Programs (Community Level or greater)
- Opportunity for participation in a customized bEARTHday Party Program

ECOSYSTEM LEVEL

All benefits listed in Individual & Community Level, plus:

- Free one-day snow-shoe rental for your family
- Invitations to special events and activities
- 10% discount on bEARTHday Party Program

Biome, Biosphere and Global Levels enjoy all of the above benefits, too!

It is the passion and support of the community that created Beaver Brook. Please consider supporting us by contributing to our Friends of Beaver Brook program.

Thank You!
