

Dear Artist,

We hope you will consider participating in the Beaver Brook 39th Annual Fall Festival and Art Show September 28th -29th, 2019.

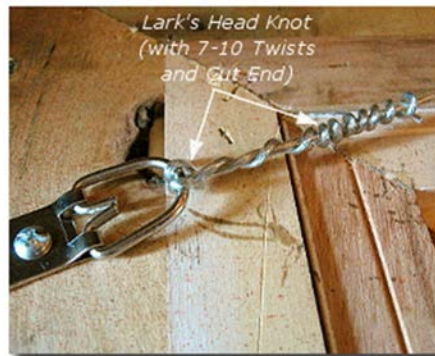

It is important that we, as the venue, show your work at its best and keep your artwork safe. Therefore, although this is a non-juried show, we do have requirements for framing and hanging all artwork.

Frames:

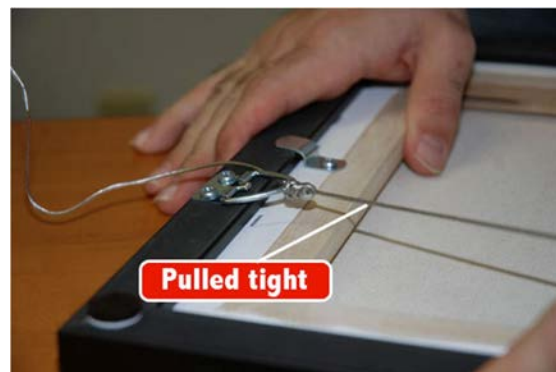

- Frames must be light weight and no larger than 24" x 30" – Outside dimensions
- Frames must be hanging frames – not tabletop frames

Hanging Hardware:

All artwork must have braided picture hanging wire made specifically for hanging frames and must be rated to hang the weight of your frame. This is available at *Michaels* or at most hardware stores. When applying the wire, make sure the ends are twisted tightly to hold the wire taut.

The wire must be placed 1/3 from the top of the frame and be attached so it is tight.

Artwork Drop Off:

When you drop your artwork off, all artwork will be turned over to the back and checked for proper hanging hardware. Submissions not following the above requirements (braided hanging wire attached properly and strung tightly 1/3 from the top) **will not be accepted.**

The following will not be accepted:

Sawtooth Hangers of any kind

Frames with **small triangles** for attachment (these break off easily and are extremely difficult to hang)

Tabletop Frames

Thank you in advance!
