Beaver Brook Association (BBA) is a privately held non-profit with a mission to promote the understanding of interrelationships in the natural world and to encourage conservation of natural resources through education and land stewardship.

We are looking for summer camp educators to join our staff for the 2022 camp season. This summer, we will offer 6 weeks of camp for children, ages Pre-K through 9th grade. If you are a creative educator who loves being outside with children, this is a great opportunity to build your resume and work for a strong community organization.

The staffed camp hours are 9:00 am to 3:00 pm. We offer competitive pay and 50% off camp programs for dependents. BBA pays for CPR certification, background checks and staff training.

Our educators have a meaningful impact on our community, and we hope that you consider this opportunity to join our team!

Please complete the attached application and submit your cover letter and resume to gbasiliere@bbanature.org. Applications are rolling until all positions have been filled.
